Christmas Tree Collection

The Tamaqua Street Department will collect Christmas trees throughout the month of January. Residents should place their trees at the curb and the Street Department will collect them as time and weather permits. Christmas trees should not be placed in bags, and all lights and decorations must be removed. Trees with decorations will not be picked up. Residents can also drop off trees behind the Tamaqua Borough Garage at 417 Rear East Broad Street.

Snow Removal

Snow removal may be done on various streets in Tamaqua during the winter season. Streets will be posted the day before snow removal is scheduled, and starting times will vary depending on work schedules and weather conditions. Residents are reminded that they must move their vehicles for snow removal. Vehicles that remain on the posted streets will be ticketed and towed at the owner's expense. Snow removal schedules will be posted on the borough's Facebook page and website at www.tamaquaborough.com

Sidewalks

Tamaqua property owners must maintain a three-foot-wide path on their sidewalks that is clear of all snow and ice. Snow and ice must be removed from sidewalks within 24 hours after a

storm ends. Property owners who fail to clean their sidewalks may be subject to a \$25 fine for the first offense and higher fines for subsequent offenses.

Residents are reminded not to throw snow, ice or other materials on the streets. Vehicle traffic compacts the snow causing slippery conditions. Snow should not be piled at intersections, near fire hydrants or on storm drains. Residents are encouraged to clear snow from around fire hydrants and storm drains. Residents may be fined for throwing snow on the street.

Any questions may be directed to the Tamaqua Municipal Building, 320 East Broad Street, during normal business hours, Monday through Friday from 8 a.m. to 4 p.m., or call 570-668-3444 or 570-668-0300.
